

Inclusion (Rights) Policy

STATEMENT:

It is the policy of planHELP to actively promote inclusion of all of our clients within their own environments.

We acknowledge and support the right of everyone to participate within all aspects of their community.

This policy applies to all clients of the business, including children and their families.

RESPONSIBILITIES:

PLANHELP RESPONSIBILITIES

- Collecting as much relevant information regarding the natural environments of the client as possible
- Collaborating with both the client and relevant people within their environment
- Conducting assessment and intervention wherever possible within the natural environment of the client
- Ensuring that environments important to the client are included in support planning
- Ensure that intervention strategies are relevant and achievable within the identified environments

CLIENT RESPONSIBILITIES:

- To provide where possible information about relevant natural environments for the client
- To provide information where possible as to relevant people within the natural environments
- To do their best to engage with identified intervention strategies
- To inform us if intervention strategies are proving to be less relevant or too challenging within the natural environment
